

West Vic Industrial Supplies

PRODUCTS FOR INDUSTRY

*Sick sensor intelligence | Festo pneumatic automation | Linak linear actuator technology
Burkert fluid control systems | SEW drive solutions | Danfoss drive technology*

distributor for...

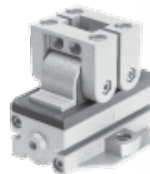

SICK

Photoelectric proximity switches
Inductive proximity switches
Capacitive proximity switches
Encoders
Ultrasonic sensors
Contrast sensors
Colour sensors
Fork sensors
Machine vision
Safety light grids
Laser safety scanners
Barcode scanners
RFID – Radio frequency identification
Laser measurement systems
Gas analysis
Dust measurement
Volume flow measurement

FESTO

Servo Pneumatic positioning systems
Electric drive technology
Pneumatic Drives
Handling
Vacuum technology
Solenoid and pneumatic valves
Valve terminals
Compressed air preparation
Pneumatic connection technology
Fittings and tubing
Process valves

Danfoss

LINAK® 
WE IMPROVE YOUR LIFE

VLT Automation drive

VLT HVAC drive

VLT Aqua drive

VLT Micro drive

VLT Decentral drive

VLT Drive motor

VLT One gear drive

VLT Soft starter

Linear actuators

Lifting columns

Dual actuators

Control boxes

Controls

Switchgear automation

Solenoid valves

Ball valves

Butterfly valves

Electric actuators

Pneumatic actuators

Pressure switches

Gear reducers

Gearmotors

Motion control

Electric motors

Control components sell the following brands:

Gems

Kari

Mcdonnell and miller

Besta

Weka

Steam trapping and tracing equipment

Steam system testing and monitoring

Condensate recovery equipment

Pressure and temperature controls

Strainers

Regulators

Valves

It is the aim of West Vic Industrial Supplies Pty Ltd to provide affordable, quality industrial products to meet the requirements of our market. This is achieved by our **access to the latest products and technology** through our vast supplier network.

WVIS has built up a team of dedicated staff with over 80 years combined experience in industry. In 40 years of business we have established our supplier network as such that **we are able to source any industrial product** and therefore provide solutions for our customers efficiently and effectively.

Other Products

Electrical Switch Gear

Low volt switch gear	Moeller
Transformers	Altro
Power Supplies & Inverters	Meanwell
Control Switches (isolators, reversing, changeover)	Kraus & Namier
Cabinets & Enclosures	Rittal
Relays & Timers	Omron

Electric Field Devices

Limit switches & micro switches	Omron
Pressure switches & flow switches	Baccara
Light beacons & sirens	Mechtric
Push buttons & hand pendants	Schneider
LED lighting auto motive and industry	Ozled

Electrical Control

PLCs	Mitsubishi
Touch screens & industrial computers	Proface
Temperature controllers	Omron
Panel meters	Red Lion
Safety switches & light curtains	Sick

Process Equipment

Steam	Armstrong/Spirax
Process Valves	Burkert
Pumps	Grundfos
Liquid and air flow switches	McDonnell and miller
Level switches and sensors	Besta AG
Tank level indicators and instruments	Weka
Level, pressure and flow sensors	Gems
Float switches	Kari

Power Transmission

Electric motors	CMG
Couplings	Rotex, Lovejoy
Chain/sprockets/pulleys	Naismith
Rubber mounts	Mackay
Vbelts and conveyor belts	Rydell
Wheels and castors	Richmond wheels

Pneumatics and valving

Knifegate, Butterfly and hygienic valves	Keystone
Ball valves	Legris
Hose and Ducting	Total Rubber

Other Brands

SICK

FESTO
